EPSON®
EXCEED YOUR VISION

Epson Stylus Photo R340

Personalise, save and share your memories

The Epson Stylus Photo R340 gives you the power to print glossy, borderless photos, with or without using a computer. Preview, select and crop your shots using the 2.4" colour LCD and print premium quality photos – every time.

You can print premium quality photos from the comfort of your own home with the Epson Stylus Photo R340. Simply print them directly from your digital camera or camera phone[1]. Quick, easy and affordable, you can edit your photos, preview them with the 2.4" colour monitor, and then simply send them to print. And the innovative PhotoEnhance feature ensures you get optimal results every time you print.

The Epson Stylus Photo R340 is very flexible. You can print photos and designs onto compatible CDs and DVDs from your memory card or your computer. And attach a CD-R or Zip® drive to back-up your precious memories. You can even get creative by adding frames and borders and printing your photos up to A4.

Using genuine Epson inks and papers will not only guarantee you get the best results but are resistant to ozone, light and water damage. Cost effective, individual inks give you outstanding results that will last for years.

Key features

- Premium quality photos with high resolution, up to 5760 optimised dpi on suitable media
- Built-in 2.4" colour LCD for easy photo printing without using a computer
- Individual ink cartridges ensure cost effective printing
- Support for most memory cards, PictBridge and USB DIRECT-PRINT compatible digital cameras
- Print your favourite photos up to A4 size, without borders
- Print and personalise compatible CDs and DVDs
